

## Editorial

Dear Shareholder,

The Shareholders' Meeting, which will take place at 2:30 pm on Wednesday June 7, 2023 at the Hilton Hotel, 8 rue de Rome, Tremblay-en-France, will be the opportunity to revisit the highlights of 2022. The Shareholders' Meeting is a unique opportunity to share information, exchange and dialogue, in which you can participate either by attending in person, arranging to be represented or by voting by mail. Once again this year, Air France-KLM offers you the option to vote via the internet so as to encourage a maximum number of shareholders to vote in a simple, swift and secure manner.

As Air France-KLM is committed to maintain a regular dialogue with our individual shareholders, we renewed the Individual Shareholders Consultative Committee, a body created to address themes linked to communication and the documentation for shareholders.

In this newsletter you will find all the information required to plan your participation in the Shareholders' Meeting. I look forward to seeing as many of you as possible, either in person or online. Thank you for your unwavering confidence and loyalty.
