Cash shares issued in order to increase the share capital of the Company must be paid up at the time of their subscription in an amount at least equal to one quarter of their nominal value and in the full amount of their premium, if a premium is due.

The difference shall be called up, on one or more occasions, by resolution of the Board of Directors, which shall determine the amount to be called up and the venue and date of the payments to be made.

Such calling up of capital shall be notified to the shareholders one month before the date set for each payment by means of an announcement placed in a publication authorised to carry legal notices at the location of the registered office of the Company, or by individually addressed registered letter.

Any delay in payment of the amounts due shall lead automatically and without requirement of formal notice to the addition of interest at the legal rate plus two percent per annum, calculated daily with effect from the due date, without prejudice to personal action at law which the Company may take against the defaulting shareholder and to the enforcement measures available in law.

Any subscription of shares on which the payment due has not been made at the time of their subscription may be considered null and void on expiry of a period of eight days from the sending of notice by registered letter, where such notice has not elicited a satisfactory response.

Article 9 - Form of shares – Identification of shareholders

9.1 Form of shares

- All shares shall be registered in the name of the holder up until such time as they are entirely paid up.
- Shares, when fully paid up, may be registered or bearer shares, at the option of the holder, subject to the provisions of Articles 9.2, 9.3 and 9.4 hereinbelow.

The Company may impose a requirement to register shares in the names of the holders under the terms and conditions set forth in Article 9.4.

9.2 Shares must be registered in the names of the holders where the threshold of 5% of the share capital or voting rights is reached.

Any shareholder, whether alone or acting in conjunction with others, who comes to hold a number of shares or voting rights in the Company equal to or greater than 5% of the total number of shares or voting rights must, within four trading days from the date that the above equity threshold is reached, request that its stock be entered as registered shares. This obligation of registration applies to all shares already held and to those which may be acquired subsequently above the aforementioned threshold, for so long as the shareholder continues to hold equity at or above the threshold.

A copy of the request to register the shares in the name of the holder, including the information stipulated in Article 10 hereof, shall be submitted by letter sent registered or certified mail, return receipt requested, to the Company within four trading days of the date on which the 5% threshold is reached.

9.3 Lowering the threshold for the requirement to register stock to 10,000 shares by decision of the Board of Directors.

Where the threshold of 40% of share capital or voting rights is reached by shareholders other than French shareholders in the meaning of Article 14 of the Articles of Incorporation, the Board of Directors may resolve to lower the threshold for mandatory registration from 5% to 10,000 shares. The obligation to impose mandatory registration of stock shall apply subject to the provisions of Article 9.2.

The extract from the minutes of meeting of the Board of Directors resolving to lower the threshold to 10,000 shares shall be published in the BALO [Bulletin des Annonces Légales et Obligatoires/Bulletin for judicial and mandatory notices], in at least one financial publication in the French language and in at least one financial publication in the English language.

9.4 Exclusive use of registered shares by decision of the Board of Directors

Should the findings of a procedure of identification of the holders of securities, show that the threshold of 45% or more of the share capital or voting rights in the Company held by shareholders other than French shareholders in the meaning of Article 14 of the Articles of Incorporation has been reached, the Company will publish the announcement provided by Article R.360-2 of the French Civil Aviation Code in order to inform shareholders and the general public that shareholders other than French nationals in the meaning of Article 14 of the Articles of Incorporation hold, directly or indirectly, 45% or more of the share capital or voting rights in the Company.

Should the findings of the same procedure, show that shareholders other than French nationals in the meaning of Article 14 of the Articles of Incorporation hold on a long-term basis, directly or indirectly, more than 45% of the share capital or voting rights in the

Company, the Board of Directors must resolve to impose exclusive use of the registered form for all shares in the Company.

I/ The extract from the minutes of meeting of the Board of Directors resolving to impose exclusive use of the registered form for all shares in the Company shall be published in the BALO, in at least one financial publication in the French language and in at least one financial publication in the English language.

II/ Within fifteen days of the publication of the above decision in the BALO, holders of bearer shares must request conversion of their shares to the registered form. Such conversion shall be carried out in accordance with the provisions of decree 55-1595 of 7 December 1955, as amended.

III/ The extract from the minutes of meeting of the Board of Directors resolving to cease to impose the exclusive use of the registered form of shares in the Company shall be published in the same manner.

IV/ Notwithstanding the provisions contained in the preceding paragraph, the Board of Directors may resolve at any time, at its sole initiative and in the light of information available to it, to impose the exclusive use of the registered form for all shares in the Company.

9.5 Election of domicile at the address of an authorised financial intermediary

Any shareholder subject to the obligation to register shares held in the Company and having neither registered offices nor elected domicile on French territory in the meaning of Article 102 of the French Code of Civil Law is bound to elect domicile at the address of an authorised financial intermediary and account holder domiciled in France and to inform the Company of such election without delay by letter sent registered or certified mail, return receipt requested, which shall include the information provided for in article 10 of the Articles of Incorporation .

This election of domicile may be carried out in valid manner by any intermediary registered on behalf of the third parties as specified in Article L.228-1 of the French Code of Commercial Law.

Failing notification to the Company as stipulated hereinabove, or if incomplete or incorrect information is given despite a request to rectify the situation made by the Company by letter sent registered or certified mail, return receipt requested, those equity instruments granting rights to share capital immediately or at a future date and for which the aforementioned shareholder has been registered as an account holder shall be deprived of voting rights in any General Shareholders' Meetings held until such time as the situation is rectified; payment of the corresponding dividends shall also be deferred until that time.

9.6 Identification of shareholders

Any intermediary registered on behalf of an owner of shares without a domicile on French territory in the meaning of Article 102 of the French Code of Civil Law is bound, immediately on opening its account with the issuing company, with the latter's authorised agent, or with the authorised financial intermediary and account holder, to declare its status as an intermediary holding securities on behalf of others.

9.6.1 Identification of holders of bearer shares

In order to identify the holders of bearer shares, the Company is entitled to request at any time of the bodies responsible for clearing securities the information provided for in Article 10 of the Articles of Incorporation regarding the holders of equity instruments conferring voting rights in its General Shareholders' Meetings, whether immediately or

at a later date, in addition to the quantity of stock held by each such holder, and where applicable, details of any restrictions possibly affecting the stock concerned.

In the light of the list supplied by the securities clearing body, the Company may request, either through that body or directly of the persons or legal entities shown on the list, where the Company feels they may be registered on behalf of others, information provided for in Article 10 of the Articles of Incorporation on the owners of the shares to which reference is made in the paragraph immediately above.

Those persons or legal entities are bound, where they are acting as intermediaries, to disclose the identity of the owners of the equity instruments.

9.6.2 Identification of holders of registered shares

In the case of registered shares granting rights to equity in the Company immediately or at a later date, intermediaries registered on behalf of others are bound, within ten business days of the request made by the Company or its authorised agent, it being possible to submit such request at any time, to provide the information mentioned in Article 10 of the Articles of Incorporation regarding the owners of the shares concerned.

Where the stock takes the form of registered shares under administration, the authorized intermediary must declare its status as an intermediary holding securities on behalf of others.

9.6.3 Sanctions

Failing provision to the Company of the information specified in Articles 9.6.1 and 9.6.2, or in the event that the information provided is incomplete or incorrect, the sanctions for which Article L.228-3-3 of the Code of Commercial Law provides may be applied.

Disqualification of stock for voting and entitlement to dividend payments as provided in Article L.228-3-3 of the Code of Commercial Law shall become effective on expiry of a period of 15 days following the request to rectify the situation submitted by letter sent registered or certified mail, return receipt requested, or by any equivalent means, to the address shown in the share register or, where applicable, to the address where domicile has been elected in compliance with Article L.6411-4 of the Code of Transport.

Prior to the recording of proxies or votes in a General Shareholders' Meeting, intermediaries registered on behalf of other parties are bound, at the request of the Company, to supply a list of the non-resident owners of the shares to which the voting rights attach.

Votes or proxies entered by an intermediary which is either not declared as such or which has not disclosed the identities of the owners of the stock under the terms and conditions laid down in the previous paragraphs cannot be included in any count.

Article 10 - Information to provide at the Company's request

Pursuant to the provisions applicable to the Company as holder or controlling shareholder (directly or indirectly) of airlines which themselves hold (1) operating licences as air carriers or (2) traffic rights, and in particular the provisions of Regulation (EC) No 1008/2008 of September 24, 2008, as interpreted by the European Commission's guidelines of June 8, 2017, international agreements and the provisions of the French Transportation Code (Articles L.6411-1 et seq.), or any text that would replace or supplement any of the latter, any shareholder (or any intermediary registered on behalf of an ultimate beneficiary) is required to provide in writing to the Company, and at its request, the

b) Legal entities

- confirmation that the relevant person involved is acting on its own account, or otherwise, if applicable, relevant information apposite to determine the nationality of the beneficial owner of the shares in accordance with the above provisions relating to the nationality of shareholders.

The information to be given under (a) and (b) above may be provided to the Company by any approved financial intermediary and, in the case of non-residents, by any registered intermediary in the meaning of Article L.228-1 of the Code of Commercial Law acting on their behalf.

Where the information specified at (a) and (b) above has not been provided or where the information provided is incomplete or incorrect, despite a request from the Company to rectify the situation, stock and other equity securities held by or on behalf of the relevant person shall be disqualified for voting at any General Shareholders' Meeting held until the situation is rectified. In addition, dividend payments shall be deferred until that time. Article 11 - Registration and assignment of shares (approval provisions)

Securities entered on account may be conveyed by transfer between accounts. Entries on account, transfers and assignments shall be executed in accordance with the terms and conditions laid down by the laws and regulations in force.

If, in the light of the information provided for in Article 10 of the Articles of Incorporation, the Board of Directors observes that over 45% of the share capital or voting rights is held directly or indirectly by shareholders other than French nationals in the meaning of Article 14 of the Articles of Incorporation, it may resolve that any acquisition of shares by a third party or a shareholder which would lead for the acquirer to an obligation to declare that a threshold of 0.5% of the share capital or voting rights, or any multiple of that percentage, has been reached, pursuant to Article 13 hereof, shall require approval to be given by the Board of Directors under the conditions and following the procedures laid down in law.

Article 12 - Indivisibility of shares – Usufructuary ownership

1. Shares are indivisible in the eyes of the Company.
Co-owners of shares, which are indivisible, shall be represented at general shareholders' meetings by one of their number or by a single authorised agent. In the event of disagreement, the authorised agent shall be appointed by a court of law at the request of the first co-owner to enter a petition.
2. The voting rights attaching to shares shall be exercised by the usufructuary owner in ordinary shareholders' meetings and by the bare owner in extraordinary general meetings.

Article 13 - Equity threshold declarations

Without prejudice to the notification obligations contained in Article L.233-7 of the Code of Commercial Law, any private individual or legal entity, whether acting alone or in conjunction with others, who comes to hold, whether directly or indirectly, 0.5% at least of the share capital or voting rights in the Company, or any multiple of that percentage, shall be bound to inform the Company by letter sent registered or certified mail, return receipt requested, within four trading days of the date on which this equity threshold has been reached. Such declaration must include all the information that the Company must provide to the *Autorité des Marchés Financiers* in the event of crossing legal thresholds, as well as the information provided for in Article 10 of the Articles of Incorporation.

The declaration for which the preceding paragraph provides shall be repeated on each occasion that a further threshold of 0.5% of voting rights is reached, up to 50%.

The declarations specified in the two preceding paragraphs shall be made in the event that such thresholds are crossed upward or downward.

For the purposes of determination of whether the thresholds hereunder have been reached, the shares and voting rights defined by the provisions of Article L.233-9 of the Code of Commercial Law and those of the General Regulations of the *Autorité des marchés financiers* relating thereto are deemed to be capital and voting rights mentioned in the first paragraph.

Failure to adhere to the obligation to make the equity threshold declarations required by law and the Articles of Incorporation, shall lead to disqualification of the stock for voting under Article L.233-14 of the Code of Commercial Law at the request of one or more shareholders holding together at least 0.5% of the share capital of the Company.

Article 14 - Information published and disseminated by the Company

Through an announcement published in the BALO, and a press release in the form of a financial notice published in a journal with national coverage and in an English-language financial publication, the Company shall inform the shareholders and the general public when 45% of the share capital or voting rights are held, directly or indirectly, by shareholders other than French nationals in the

meaning of the present Article, and when the share in the equity or voting rights held by such shareholders falls below this level.

For the purposes of implementation of the present Articles of Incorporation, the following are considered to be French nationals:

- private individuals with French nationality or citizens of the European Union Member States and States party to the European Economic Area Agreement or any other agreement having the same significance in matters of air transportation
- legal entities or other entities and groups whose equity is not held in the majority or effectively controlled, directly or indirectly, by private individuals other than French nationals in the meaning of this Article.

This notice shall specify the share of equity or voting rights thus held, directly or indirectly, by shareholders other than French nationals. It shall also indicate whether the Company is envisaging the use of the formal demand procedure for which Article L.6411-6 of the French Transportation Code.

Article 15 - Formal demand for assignment following registration of shares

The Company is authorised, subject to the conditions and time limits specified by Articles L.6411-6, L.6411-7 and L.6411-8 of the French Transportation Code and R.360-1 to R.360-5 of the Code of Civil Aviation to issue formal demands to certain of its shareholders requiring the assignment of all or part of their stock.

Such entitlement to issue formal demands relates first and foremost to shareholders other than nationals of Member States of the European Community and States party to the agreement on the European Economic Area or any other agreement whose scope is equivalent in terms of air transport.

The shares covered by such formal demands shall be determined by their chronological order of registration in the name of the holder, following application of the priority criterion specified in the preceding paragraph and beginning with the most recently registered.

In the event that, following application of the rules defined in the preceding two paragraphs, several shareholders hold a number of shares registered at the same date in the books of the Company and exceeding the balance of the shares to which the same formal demand procedure is to be applied, such balance shall be split between those shareholders in proportion to the shares concerned.

The formal demand for assignment of stock may be implemented in one or more phases for so long as, in the light of the information available to the Company and the assignments already effected, the fraction of the share capital or voting rights held by shareholders other than French nationals in the meaning of Article 14 continues to stand at 45% or more.

A formal demand shall be deemed to have been duly issued when sent by letter sent registered or certified mail, return receipt requested, or by any equivalent means to the holder appearing in the registers of the Company, including cases where the stock is registered in the name of an intermediary on behalf of the owner of the stock, and to the address appearing in this register or, where applicable, to the address where domicile has been elected.

The formal demand shall include a restatement of the provisions of Articles L.6411-6, L.6411-7 and L.6411-8 of the French Transportation Code and R.360-1 to R.360-5 of the Code of Civil Aviation and the information given pursuant to Article R.360-2 of the Code of Civil Aviation. It shall indicate the number of shares which the shareholder is required to assign to others and contains a reminder of the time limit of fifteen days following publication of the notice for which Article R.360-2 of the

Code of Civil Aviation provides, specifying that the Company is envisaging use of the formal demand procedure.

Shareholders receiving such formal demands shall inform the Company without delay of the execution of the assignments required of them.

Article 16 - Sale or assignment of excess stock

In the event that a shareholder does not assign his stock within two months of the date of the formal demand sent in the manner and within the time limits specified by Articles L.6411-6 and L.6411-7 of the French Transportation Code and R.360-2 and R.360-3 of the Code of Civil Aviation, the Chair of the Board of Directors may issue a writ of summons for injunctive relief in the High Court [Tribunal de Grande Instance] of Paris, seeking the appointment by the Court of a body for which provision is made in Article L.531-1 of the Monetary and Financial Code with the task of carrying out the sale or assignment in the manner specified in Article L.6411-7 of the French Transportation Code.

The writ of summons shall be deemed to have been duly served at the address of the shareholder or shareholders concerned as shown in the register of shareholders or, where applicable, at the address at which domicile has been elected in compliance with Article L.6411-4 of the Code of Transport.

The writ must be accompanied by a copy of the notices specified in R.360-2 of the Code of Civil Aviation, a copy of the formal demand, and a certified copy of an extract from the register of shareholders showing that the shares concerned have not been assigned despite expiry of the time limit of two months stipulated in the first paragraph of the present Article.

As from the date of designation of the body specified in the first paragraph of the present Article, the stock in the possession of the holder in breach may no longer be sold or assigned other than under the conditions laid down in Article L.6411-8 of the Code of Transport, and they shall be stripped of the voting rights normally attaching to them.

TITLE III

MANAGEMENT OF THE COMPANY

Article 17 - The Board of Directors

The Company shall be governed by a Board of Directors with between 3 and a maximum of 18 members.

17-1 – Composition of the Board of Directors

A Board of Directors comprised of at least 3 and no more than 18 members is responsible for managing the Company (including any potential representative appointed directly by the State and potential directors appointed upon the proposal of the French State, pursuant to the terms of French Order No. 2014-948 dated August 20, 2014).

A legal entity can be appointed as a Board director. At the time of its appointment or cooptation, it must appoint a permanent representative.

For the purpose of determining the minimum and maximum number of directors referenced in the first paragraph of this Article, the following are excluded:

- (a) directors appointed by the Shareholders' Meeting in accordance with the terms of Article L.225-23 (by referral to and in the conditions of Article L.22-10-5 of the French Commercial Code), based on the proposal made by shareholders who are current (and former) employees, as they are described in Article L.225-102 of the French Commercial Code.

As permitted under the terms of Article L.6411-9 of the French Transportation Code (Code des transports), two directors represent shareholders who are current (and former) employees, of which:

- a director representing the flight deck crew personnel category (*personnels navigants techniques*) of the Company and/or companies related to it;
- a director representing the other personnel category (*autres personnels*) of the Company and/or companies related to it.

Acting as the representation of shareholders who are current (and former) employees of the Company and companies related to it is subject to their holding an equity stake in the share capital of no less than 2%.

The terms and conditions applicable to electing these directors are governed by the principles set forth in articles L.225-23 and L.225-102 of the French Commercial Code, in Article L. 6411-9 of the French Transportation Code, and in these Articles of Incorporation. The terms and conditions specific to each ballot will be set forth in the Internal Rules.

(b) directors representing employees

Whenever the Company meets the conditions provided for under Articles L.225-27-1 and L.22-10-7 of the French Commercial Code, the Board of Directors includes one or more director(s) representing the employees.

Regardless of its composition or the terms and conditions governing the way in which it is organized, the Board of Directors is a collegial body mandated by all shareholders and acting in the corporate interest of the Company.

As an exception to the provisions of Article 19 of these Articles of Incorporation, the directors representing employees as well as any potential representative appointed directly by the State and potential directors appointed upon the proposal of the State, are not required to hold a minimum number of Company shares while they exercise their functions.

17-2 – Directors representing employee shareholders

Both directors representing shareholders who are current (and former) employees are elected by the Shareholders' Meeting based on the proposal of those shareholders described in Article L. 225-102 of the French Commercial Code.

The candidates presented to the Shareholders' Meeting are selected by vote, the conditions of which are set in the Articles of Incorporation.

17-2-1 – Candidate selection procedure

a. Number of seats to fill

The representation of shareholders who are employees (and former employees) on the Board of Directors is fulfilled through the representation of two personnel categories, namely the flight crew personnel and other personnel, respectively.

A director's seat on the Board of Directors is reserved for each of these two categories.

Each of these two categories of employee shareholders forms a separate electoral college. Under the conditions set forth in Paragraph 17-2-2 (hereinafter the “Ballot”), each electoral college nominates the candidate to be proposed for appointment at the Shareholders’ Meeting.

b. Candidates

The candidates (shareholders or members of the Supervisory Boards of collective employee shareholding vehicles [FCPE]) are determined under the terms of articles L.225-23 and L.225-102 of the French Commercial Code.

All candidates must be nominated from within the personnel category of the Company or companies related to him or her and to which he or she belongs.

However, in the event of too few candidates (fewer than 2 for at least one of the seats to fill), it is the responsibility of the Supervisory Boards of the collective employee shareholding vehicles (FCPE) to decide on whether to broaden (beyond the members of the Supervisory Boards themselves) candidacies to unit holders in FCPEs. All Supervisory Boards must adopt the same resolution, which will be inserted into the rules of the election in question.

c. Participation in the candidate selection procedure

In accordance with the terms of Article L.225-23 of the French Commercial Code, employee shareholders who participate in the candidate selection procedure are those described in Article L.225-102 of the French Commercial Code.

Whenever the regulations of an FCPE that invests in Company shares delegates to unitholders the exercise of the voting rights attached to those shares, the latter participate in the procedure.

Whenever the regulations of an FCPE that invests in Company shares provides for the Supervisory Board to exercise the voting rights attached to the securities issued by the Company, the Supervisory Board participates in the selection procedure through exercising the voting rights of unitholders and in their interest. The Supervisory Board exercises unitholders’ voting rights based on the prorated amount of their entitlements and in the electoral college to which such unitholders belong.

17-2-2 – Ballot

The terms and conditions applicable to the vote are set forth in the Internal Rules.

Each candidacy must include the name of a potential replacement in addition to the main candidate’s name. Candidates and their possible replacements must be current employees of the company or one of the companies related to it.

In each of the two electoral colleges, the voting procedure for current (and former) employee shareholders is based on a two-round majority vote. The second round includes only those two candidates who received the highest number of votes in the first round.

The candidate who received the absolute majority of the vote in the first or second round is the candidate proposed to the Shareholders’ Meeting for appointment.

The result of the vote, which lists the names of the candidates and each candidate’s replacement, as proposed by both electoral colleges to the Shareholders’ Meeting, is included in the Appendix to the Convening Notice.

17-2-3 – Election by the Shareholders' Meeting

During the Ordinary Shareholders' Meeting, a vote is organized in order to appoint the two directors proposed by current (and former) employees who are shareholders of the Company and companies related to it.

The director representing shareholders who are current (and former) employees of the Company belonging to the flight deck crew personnel category is elected by the Shareholders' Meeting based on the proposal provided by the electoral college, which was set up by the flight deck crew personnel.

The director representing shareholders who are current (and former) employees of the Company belonging to the other personnel category is elected by the Shareholders' Meeting based on the proposal provided by the electoral college, which was set up by other personnel.

17-2-4 – Replacement for the director representing employee shareholders

In the event that, as a result of death, resignation, retirement, or employment contract termination, the Board seat of a director elected by the Shareholders' Meeting becomes vacant, the replacement is called upon and exercises the director's functions for the remainder of his or her term of office.

Until the date upon which the director (or, as the case may be, the directors) representing employee shareholders is replaced, the Board of Directors can meet and deliberate validly.

17-3 – Directors representing employees

The Board of Directors includes a director representing employees in accordance with the terms of Articles L.225-27-1 and L.22-10-7 of the French Commercial Code. This director is appointed by the French Corporate Works Council as provided for under Article L.2331-1 of the French Labor Code.

The number of directors representing employees is increased to two whenever the number of directors referred to in Articles L.225-17 and L.225-18 of the French Commercial Code is higher than eight. Whenever two directors representing employees must be appointed, the European Works Council appoints the second director. In doing so, the European Works Council must aim for a balanced representation of all employees that takes into account, in particular, the international nature of the group.

In the event that, over the course of a given financial year, the number of directors referred to in Articles L.225-17 and L.225-18 of the French Commercial Code exceeds eight, the Chair of the Board of Directors must solicit the European Works Council in order to ensure that it appoints a second director representing the employees within a time frame not to exceed six months following the Board of Directors' coopting or the appointment by the Shareholders' Meeting. The director will take on his or her duties at the first Board of Directors' meeting convened after he or she is appointed.

In the event that, over the course of a given financial year, the number of directors referred to in articles L.225-17 and L.225-18 of the French Commercial Code becomes equal to or falls below eight, the term of office of the second director representing employees will nevertheless run its course but will not be renewed if the number of directors is still equal to or lower than eight as of the renewal date.

The term of office for directors representing the employees is two years, and expires at the end of the annual Shareholders' Meeting convened in the year in which their mandate expires. The mandates of directors representing employees end ipso jure in the event of termination of their employment contract, of revocation from office in accordance with the terms of Article L.225-32 of the French Commercial Code, or in the event of occurrence of an incompatibility case referred to in Article L.225-30 of the French Commercial Code.

Subject to the provisions contained in this Article or to legal provisions, directors representing employees benefit from the same status, and have the same powers and responsibilities as the other directors.
