Statutory Auditors' report on issuance of new shares or other securities granting rights to the share capital reserved for members of a company savings plan

Combined Shareholders' Meeting of June 5, 2024 – Resolution 22

To the Shareholders' Meeting of Air France-KLM S.A. ,

In our capacity as Statutory Auditors of your Company and in compliance with the engagement set forth in Articles L.228-92 and L.225-135 et seq. of the French Commercial Code (*Code de commerce*), we hereby report to you on the proposal to delegate authority to the Board of Directors to increase share capital, by issuing shares or other securities granting rights to the share capital, and cancelling the related preferential subscription rights reserved for members of a savings scheme of your Company or of a Group of your Company or of French or foreign related companies within the meaning of Article L.225-180 of the French Commercial Code and Article L.3344-1 of the French Labor Code. You are being asked to vote on this proposal.

The total increase in share capital allowed under this delegation of authority, immediately or at a later date, may not exceed 3% of the Company's share capital as of the issue date, and is subject to the overall maximum set forth in resolution 19 submitted to shareholders at the Meeting of June 7, 2023 or in any resolution of the same nature that could follow. This threshold is applicable jointly for resolutions 22 and 23.

This issuance is subject to your approval in compliance with Article L.225-129-6 of the French Commercial Code and Articles L.3332-18 et seq. of the French Labor Code (*Code du travail*).

The Board of Directors proposes that you grant it authority, on the basis of its report, for a 26-month period as from the date of this Shareholders' Meeting, to decide an issuance, and to cancel your preferential subscription rights to ordinary shares and /or other marketable securities to be issued. Where appropriate, the Board of Directors will be responsible for finalizing the issuance terms of these transactions.

It is the responsibility of the Board of Directors to issue a report, in accordance with Articles R.225-113 et seq. of the French Commercial Code. It is our responsibility to express an opinion on the fairness of the quantitative information derived from the financial statements, on the proposed cancellation of preferential subscription rights and on other information relating to the issuance provided in the report.

We performed the procedures we deemed necessary in accordance with professional guidelines issued by the French Institute of Statutory Auditors (*Compagnie nationale des commissaires aux comptes*) relating to this engagement. Our work consisted in verifying the content of the Board of

Subject to subsequent review of the conditions of each equity issuance decided, we have no comments to make on the methods used to determine the issue price of equity securities presented in the Board of Directors' report.

As the issuance arrangements have not yet been finalized, we do not express an opinion on them or on the proposed cancellation of preferential subscription rights.
