

SUSTAINABILITY OUR COMMITMENTS

Recognized for 15 years as a sector leader in sustainability, the Air France-KLM Group is determined to accelerate the transition to more sustainable aviation.

Since 2003, the Air France-KLM Group is a member of the United Nations Global compact. We support its commitments and principles and aim to make a significant contribution to the UN Sustainable Development Goals that are connected to our activities.

Our commitment to global environmental sustainability Contributing to the UN SDG's

2030 Targets

-50%
— lower CO2
emissions per
passenger km
compared to 2005

-50%
— less non-recycled
waste compared
to 2011

0
— emission of
ground operations
by 2030
